1. Objective

To ensure transparent and process oriented guideline on Laptop purchase/issue rules in the organization and to help employees understand and avail benefit in the organization.

2. Scope

Sales and Marketing, Field Employees working in organization based on approval.

3. Responsibility

HOD/IT/HR/Finance Department

4. Policy Guidelines

- **For Sales and Marketing, Field Employees** –Employee needs to purchase on their own cost.
- Laptop may be purchased by employee himself/herself of any chosen model or company (through IT) may purchase for him/her to the maximum loan limit of Rs 30,000/-. However, If anyone wants to purchase beyond loan limit of Rs.30,000/- then the upper cost will be bear by employee itself through intimation/approval from IT/Company. Both of this amount will be given as loan against purchase of laptop.
- In both the cases, the company will provide discount of Rs 7000/- to an employee and the rest amount will be deducted in installment (EMI of Rs. 3000/Month) from the employee's monthly salary or amount of installment will be decided based on the salary package of the employee. All summary/data relating to property maintained by IT and Deduction details will be shared to HR/Fin by IT on monthly basis.
- Till the time installment is being deducted, the system will be the property of company. All documents relating to the laptop will remain with the IT department. After completion of the installment all the papers related to laptop will be handed over to employee and the laptop will become the property of the given employee.
- Loan installments should be completed within or before one year for repayment.
- Security cheque is compulsory for processing payment and Invoice should be in the name of individual only.
- **Process**: For procurement or arranging an existing system **request from Emp/Sup with an approval of HOD given to IT/Admn/HR/Fin Dept.** Based on the approval, IT will process further for the arrangement and provide within 10-15 Days.
