INTERNSHIP

Internship Trainee

PRAMESH WEALTH PVT. LTD.

1 August - 15 September

- During my internship at Pramesh Wealth Pvt. Ltd., an investment firm, I gained hands-on experience in their operations department. Pramesh Wealth provides tailored financial services for individuals and businesses. Throughout my time there, i learned more about investments, & how to select perfect investment plan for client. how to diversify risk & many more. I developed skills like data analysis and risk assessment.

PROJECTS

Multidisciplinary Action Project (MAP)

UNICURE REMIDIES PVT. LTD

25 September - 20 November

- Our Team, comprising of six MBA students, Conducted a comprehensive analysis of the supportive activities at Unicure Remedies Pvt. Ltd. Our focus was on a critical evaluation using the value chain framework.

Comprehensive Project (CP)

31 December - 15 March

- Successfully completed a comprehensive project in a team of two, focusing on 'The Determination of Price Performance of IPOs Listed on NSC.' This project involved extensive research, data analysis, and collaborative efforts to assess the price performance of Initial Public Offerings (IPOs) on the NSC. Through this project, developed valuable skills in market analysis, data interpretation, and teamwork.
