PUSHKAR TIWARI

MARKETING & COMMUNICATIONS

About Me

"I am a Marketing & PR Communication specialist, passionate about driving business growth through integrated marketing solutions. With a proven track record of executing successful online and offline campaigns across platforms like Facebook (IG), Google Ads, news sites, print, and radio, I excel in creating impactful content and strategies. I also enjoy mentoring young marketers and entrepreneurs. I'm eager to leverage my problem-solving skills and expertise in new media strategies to enhance lead generation, brand awareness, and profitability for my organization.

QUOTE:
So What is the truth? What is objective reality?

Every Human being seems to believe intuitively that he or she alone holds the key to the universal truth. What truth are we talking about when we talk about the truth? The view from the inside or the view from the outside?

It does make a difference. In the words of another era

"The Customer is Always right". And by extension, the seller or communicator is always wrong".

Hobbies & Interests

Reading

Novels on Crime, Espionage and thrillers are few of my favorites. Reading them enable me to see through a 3D cinematic world emerging from the words. Love to read Lee Child, James Hadely Chase.

Fitness & Sports

I am a Fitness freak, and my home is my track and field to keep myself fresh and in the league of boys.

Anchoring

I love to do this and I am good in this. One day I see myself as hosting a show with someone very important.

Wines

A wine enthusiast, it's ageing process fascinates me, My story telling becomes more intense with good wines and company who understands wines closely.
