Employee Health & Safety Policy

Sure Safety produces World Class Quality Products of the very Highest Standards. In conjunction with these standards, Safety is our First Concern.

Please focus your attention to the following Safety Guidelines:

1. All employees must register at security gate before entering into premises.
2. All employees are prohibited from entering the company premises with alcohol, fire arms or illegal drugs.
3. Smoking, Tobacco etc. is not permitted in the company premises
4. All PPEs provided, must be worn as per signboards displayed in the plant & premises.
5. Do take care in high risk areas like rotating, moving or heating zones.
6. All injuries, no matter how minor, must be reported immediately to the supervisor / HR dept.
7. First aid boxes are available at plant area, office area & lab area
8. Fire extinguishers are available at various locations.
9. Emergency contact numbers are displayed at various locations.
10. On hearing Emergency siren immediately inform to Security Guard (Ext 207), all the employees will gather at the assembly point located in garden area near main gate

Don’t learn safety by accident - Precaution is always better than cure.
